

Remarks/Arguments

During our telephone conversations of January 5 and 11, 2006, we agreed that this Office Action belongs to another application, Serial No. 09/806,939, and was wrongly filed by the USPTO. As you indicated, you are not the Examiner for the present application. Rather, Dominic D. Saltarelli in Art Unit 2611 is the Examiner of this application. That explains why this Office Action indicates that claims 3, 7, 20-22, and 25-31 pending, while the present application has only claims 8-15 pending. Please kindly withdraw this Final Office Action.

No fee is believed due in regard to the present amendment. However, if a fee is due, please charge the fee to Deposit Account 07-0832. Should any questions arise regarding any of the above, the Examiner is requested to contact the undersigned at 609-734-6815.

Respectfully submitted,
